

# Kaleb Scherer and the Fender Benders

## Stage Plot & Tech Rider

---

- ✓ **High-energy country band** with a four-piece setup
  - ✓ Requires **mic'd instruments, vocal mics, and monitor mixes**
  - ✓ Can perform with **in-ear monitors or floor wedges**
  - ✓ **Sound engineer required** unless provided by the venue
- 

## Stage Plot & Input List

Position	Name	Stage Placement	Inputs	Additional Equipment
Lead Vocals	Kaleb Scherer	Center Stage	Vocal Mic (XLR), Acoustic Guitar DI	Mic Stand, Power for DI Box
Lead Guitar/BGVs	Hector Altamirano	Stage Right	Vocal Mic (XLR), Miced Guitar Amp	Mic Stand, Guitar Amp, Power for Pedalboard
Bass/BGVs	Josh Johnston	Stage Left	Vocal Mic (XLR), Bass Amp DI	Mic Stand, Bass Amp, Power for Pedalboard
Drums	Tyler Peck	Center Back	Kick Mic (XLR), Snare Mic (XLR)	Drum Kit (Venue or Band-Provided), Power for Monitor

---

## Monitor & In-Ear Needs

Each member requires a **full band mix** with emphasis on:

- ✓ **Lead Vocals (Kaleb):** Lead vocals, acoustic guitar
- ✓ **Lead Guitar (Hector):** Lead guitar, Hector's vocal
- ✓ **Bass (Josh):** Bass, Josh's vocal
- ✓ **Drums (Tyler):** Drums

The band can perform with **in-ear monitors or floor wedges**, depending on availability. Each mix should be adjusted during **soundcheck** for individual preferences. **If using in-ear monitors, wired or wireless options are preferred.**

---

# Sound & Power Requirements

## PA & Mixing Needs

- ◆ **Minimum 8-channel mixing board required:**
  - **Vocal Channels:** Lead Vocals (Kaleb), Lead Guitar BGVs (Hector), Bass BGVs (Josh)
  - **Instrument Channels:** Acoustic Guitar DI, Lead Guitar Amp Mic, Bass DI, Kick Drum Mic, Snare Drum Mic

## FOH Mix Priorities

- ✓ **Vocals:** Clear and present, blended naturally with the band
- ✓ **Guitars:** Full and punchy, cutting through in solos without overcompression
- ✓ **Drums:** Tight kick and snare, open and dynamic toms/cymbals
- ✓ **Bass:** Thick, warm, and locked in with drums
- ✓ **BGVs:** Balanced behind the lead vocal
- ✓ **Overall:** Raw, energetic, and natural—minimal processing, live feel

## Power Requirements

- ⚡ **At least two (2) 110V power drops** near:
  - Lead Guitar amp & pedalboard
  - Bass amp & pedalboard
  - Acoustic Guitar DI Box
  - Drum area (if personal monitor is needed)

## Mic & Stand Requirements

- 🎤 **3 vocal mics** with boom stands
- 🥁 **1 kick drum mic**
- 🥁 **1 snare drum mic**
- 🎸 **1 amp mic for lead guitar**
- 🎸 **1 DI box for acoustic guitar**
- 🎸 **1 DI for bass (preferred) or mic for bass cab if needed**
